**\*\*Youth**

**Due to the low entries this year, there were less participants than than the field of 32 for the finals. The 2009 CA State Queens will be cutting to the top 16 for the Double Elimination Finals which will provide a better prize money breakdown than what was paid for 2008. Thank you to everyone that participated. Thank you to West Lane Bowl for being such awesome hosts and to our sponsors: Storm Bowling, Vise Grips, Elitebowling.com and Professional Bowlers Photography.**

**Entries for the 2009 Queens will be available in the fall. We will be in touch with everyone that participated this year and thank you for your great input on getting this event back on track to the prestigious event that it is! Help us to spread the word on getting more ladies to enter. Remember that youth female bowlers can participate for great experience as long as they sign the youth scholarship waiver prior to the start of bowling.**

**We will see you all again next year!**

**Matt, Rose, Lynn and the rest of the CUSBC Association**
