****Youth**

Thank you to Forest Lanes for hosting this event and to our sponsors: Storm Bowling, Vise Grips, and Elitebowling.com.

Entries for the 2009 Masters will be available in the fall. We will be in touch with everyone that participated this year and thank you for your great input on getting this event back on track to the prestigious event that it is! Help us to spread the word on getting more entries for Stockton. Remember that youth bowlers can participate for great experience as long as they sign the youth scholarship waiver prior to the start of bowling.

We will see you all again next year!
